AVAS News

AVAS Volunteer Day
July 26, 2026. 6am -1pm

Join us for a day of hands-on projects around the campus!

*Bring your tools, gloves, and a friend to help out.

*We'll be engaging in activities such as painting, repairing, hanging items and more.

Meet Our New Teacher

Hi! My name is Mrs. Leonor Lastima! I am happily married to Orbel Lastima, and we have two amazing kids; our son Kyden and our daughter Kysha. I enjoy traveling & being with friends and family. I am thrilled to be the new 3rd to 8th grade teacher at AVAS – go Eagles! I look forward to giving my best this school year!

Thank You!

We would like to express our sincere gratitude to the donors who have supported AVAS up to this point; your generosity means everything to us. A special shout-out goes to our monthly contributors! To date, we have raised $670.00 toward our goal, and we are continuing to make progress. With God, all things are possible; through prayer, faith, belief, and action, we can accomplish the unimaginable.

We are Rooted in Christ/ Rising in Purpose
